The Resurrection of Christ ● Easter Message #2 by Pastor Marcus Johnson

Believing & Experiencing the Revelation & Power of the Resurrected Christ

1. The Salvific-Revelation of the Resurrected Christ

• God has revealed Himself & His glory thru His Son Jesus of Nazareth

• The Resurrected Christ is revealing Himself to His sheep

• So believe in Jesus of Nazareth as the Christ of the Scriptures

2. The Life-Transforming Power of the Resurrected Christ

• Jesus dwells in & among us and He is out ahead of us

 Apart from Him we can do nothing (but our labor in the Lord is not in vain!)

• So abide in Christ & experience life in His Name
